

Four of the most compelling conflicts of the Middle Ages!

Great Medieval Battles QuadriGame features three of the most important historical battles of the era, plus a mythic encounter among some of European folklore's most outstanding figures. **Robert at Bannockburn:** Robert the Bruce secures the Scottish throne and his country's independence. **Tamburlaine the Great:** The great Tartar conqueror brings his might to bear against Sultan Bayazid. **The Black Prince:** The English and Castillians recover the throne of Castile for Pedro the Cruel. **King Arthur:** The final muster of Camelot. Four separate battlefield maps, 340 single-size counters, 80 double-size counters, exclusive rules for each game and standard rules.

Available now for \$20
